FLATIRONS BUILDING COUNCIL

The Flatirons Building Council represents HBA members and the industry in the northern quadrant of the Denver metro area. This council offers a great opportunity to develop contacts and relationships with homebuilders, suppliers and subcontractors who work in Boulder and Broomfield counties, as well as nearby areas. For more information contact, Chairman, Cindy Bell, cbell@gosaddleback.com.

ASSOCIATE MEMBER COUNCIL

The Associate Member Council connects associate members with home builders. All associate members of the HBA of Metro Denver are automatically AMC members. The Council strives to provide educational forums and networking events that bring builders and associates together such as the Annual Builder Product Expo. This is a high energy group that is one of the backbones of the HBA. For more information contact, Chairman, Chris Armenta, carmenta@ccblinds.com.

CUSTOM BUILDER & REMODELER COUNCIL

The Custom Builder Remodeler Council is a group of building professionals that seeks progress and prosperity for the Custom Home Builder, Remodeler, and Aging in Place Market. Our proactive approach to education, recognition and advocacy in the Denver Home Building Industry will provide a fresh perspective to the way you conduct business today and in the future. For more information contact, Chairman, Sarah McDaniel, smcdaniel@4bac.com.

TRADE COUNCIL

The Trade Council was created to further curriculum regarding construction skills development and to engage trade organizations in finding solutions to the top issues currently facing trade partners. The Trade Council is an emerging Council made up of trade partners and industry leaders. For more information contact, Chairman, Stewart Miller, smiller@vandykconstruction.com.

PROFESSIONAL WOMEN IN BUILDING

The Homebuilders Association of Metro Denver Professional Women in Building Council represents women who are actively involved in all aspects of the building industry - as builders, developers, remodelers, suppliers, architects, marketing experts, interior designers, Realtors, mortgage lenders and trade contractors. The Council is an affiliate of the NAHB PWB Council, and membership in the HBA is required. For more information contact, Chairman, Hope Marie Sneed, hmsneed@bsbdesign.com.

YOUNG LEADERS COUNCIL

The Young Leader's Council is an emerging Council made up of young industry leaders being championed in an effort to connect young leaders within our industry and provide them the tools and connections necessary to take their careers to the next level. For more information contact Chairman Lauren Karsh, lauren@milesbrand.com.

SALES & MARKETING COUNCIL

The Sales & Marketing Council connects members and provides a forum to exchange ideas, develop professional skills, give recognition and celebrate successes within the industry. Through innovative educational programs and networking events, the SMC provides valuable tools for sales and marketing professionals that result in a smarter, stronger homebuilding industry. This Council will appeal to those members who are involved in selling and marketing new homes. For more information contact, Chairman, Jennifer Williams, jwilliams@kgarch.com.
