This special election edition of Home Builder Advocate is intended to provide the HBA membership the candidates endorsed by the Metro Housing Coalition (MHC), the political committee arm of the Association. This spring cycle included the Denver Mayoral and City Council race as well as the Town of Castle Rock Town Council race.

After a careful and thoughtful vetting process, the candidates listed below are those that the MHC Board of Directors thought demonstrated the greatest understanding of the home building issues and willingness to be partners with the industry, either through an existing voting record and/or through a questionnaire and personal interview.

MHC Endorsements:

Denver | Ballots drop April 15th, Election May 3rd, Run-offs June 7th
